Dear Parents /Carers,

The partial return to school seems to be working well. As always pupils are being very compliant with social distancing rules and face coverings. We are extremely proud of the way our young people have risen to this challenge although who would have thought a year ago that we would still be in this situation?

In order to gauge views, we have prepared a parental questionnaire as we did during the first lockdown. The link for this Portree High Parental Viewpoint on Remote Learning:

<https://forms.gle/cwJeWRqLEcwEewiC6>

It be helpful if as many parents as possible could complete this questionnaire. We really want to hear your views.

There is currently also an SQA consultation on Appeals. It is called SQA Appeals 2021 Consultation (closes 26 March) and the link is:

It is also very important that parents and pupils have their views on this heard. It is a fairly lengthy questionnaire but I urge you to fill it in.

We continue to work with our partners in Skills Development Scotland (SDS). We are aware that a number of our senior pupils are considering their options as their school leaving dates approach. If they wish to discuss their options, then they should contact Pupil Support to arrange an appointment.

As always if you have any questions or concerns then please do get in touch:
