Dear Parents/ Carers,

Summer has arrived, or at least a hint of summer with better weather! It is good that covid restrictions are also slowly being lifted although our mantra continues to be caution.

S4-6 pupils are now going out of school at lunchtimes if they so wish although we have not as yet allowed the junior school to do so. We are acutely aware that we rely on parental support for these measures and thank you once again for your continued support.

The school will be closed on Monday 3rd May for the bank holiday and there will also be an in-service day on Thursday 6th May.

The three week SQA assessment information has been published and is now available on the school's website and on the daily information portal. These assessments begin on the 10th of May. Pupils are encouraged to also attend after school study classes. Information about these classes has been shared by individual departments. We will have a further two in-service days on June 7th and 8th for marking and quality assurance purposes.

The Head Teacher post has now been advertised with a closing date for applications of the 4th of May. Professional interviews will take place on the 10th of May. The final interview will take place at the end of May.

The HPV vaccinations will take place on Thursday 13th May and the DTP and MENACWY vaccinations will take place on Thursday 27th May. Consent forms have been issued and should be returned as soon as possible.

As always if you have any questions or concerns then please do get in touch.
