9 March 2021

Dear Parents/Carers,

The 15th of March heralds the beginning of the phased return of all pupils.

Full details are laid out in the Scottish Government guidelines “Arrangements for the phased reopening of schools in March 2021” revised supplementary guidance (updated 8 March 2021).

We will operate a rota system which is detailed in the accompanying document, along with instructions for a safe return.

S4, S5 and S6 have been divide into 2 groups and S1, S2 and S3 into 3 groups. This allows for appropriate 2 metre social distancing and allows for 1 m social distancing on school transport.

If your child is in S1 and S2 and has already been attending school on a regular basis throughout the week then this arrangement will also continue.

While this situation is not ideal it is only for the remaining fourteen days of term.

After the Easter holidays – from the 19th of April, it should be business as usual – or as near to it as we can achieve.

Thank you again from your patience and understanding at this difficult time

As always if you have any questions or concerns then please do get in touch.
