27th March 2020

Dear parents and carers

In these extraordinary times I hope you are all managing to have some normality in your lives. This letter would usually appear as the editorial in March Skylines. Instead you will probably receive this through the website or facebook.

School is now shut for two weeks and that means that staff will not be using google classroom. Both staff and students have had a very busy term, and so we all need to recharge our batteries. Please therefore do not contact staff over these 2 weeks. We will begin lessons again after the Easter holidays and you will receive more guidance then.

If your son or daughter is in S3, S4 or S5 then please ensure that they have returned their option form as we will be working on the new timetable which will begin almost immediately after the Holidays.

If you do need to get in touch, then please e-mail me at the following address.

Catherine.macdonald2@highland.gov.uk

Thank you for your support in these troubling times. The past week has been a steep learning curve for all of us and we are grateful for your support. The phrase “Team Portree High School” has never been so important. We also continue to promote the 4 Rs- Ready, Responsible, Respectful, Resilient.

Have a safe holiday and please do not hesitate to contact me if you have any anxieties about school.

Yours faithfully

Catherine A Macdonald

Miss C A MacDonald
Head Teacher/Ceannard
