8 October 2020

Dear Parents and Carers,

The first term is nearly over and I feel that it has been a successful nine weeks.

We have established a good routine and we feel that the pupils have responded very well to all of the restrictions. The next few weeks will be crucial in stopping the spread of the virus and I hope that we can all have a refreshing break and enjoy some family time.

This term has seen two priorities – keeping our children safe and ensuing educational recovery.

Next term will be in much the same vein. We have a clearer picture of what the SQA exam diet will look like following John Swinney's announcement on Wednesday. Highers and Advanced Highers will begin on the 13th of May.

While there will be no National 5 exams there will be a number of internal assessments, some of which will need to be sent away. More details will follow after the October break.

Please be assured that we will continue to focus on all pupils having the best possible chances of success. All of our pupils are important and raising attainment and learning and teaching continue to be a focus in the classroom.

Thank you for all your help and support over the past few weeks. I hope you have a very happy, peaceful and safe holiday.

We will be ready to begin again on Monday 26th October!

Yours faithfully

Catherine A. MacDonald
