

Pupil Equity Fund (PEF) - What do you think?

What would help our children make progress?

We would love to know your thoughts. As a family, please share ideas about what supports you think would help children to achieve and will improve attainment in our school.

What will make a difference for them?

We have been allocated money from the Scottish Government, called Pupil Equity Fund. This money is to help close the attainment gap and to help our children achieve their best. We are looking for your views on how we do this.
